Interest Meetings

If you are interested in joining the Patriot Marching Band, these practices are for you to learn what it is all about. No experience needed, we have a spot for everyone – come out, bring your friends, and have fun!

Parents are welcome to stay during the practice and meet with current Patriot band parents to learn what is involved. Mr. Van Gelder will meet with new parents and all students at 8:00 to talk about the calendar and expectations for the season.
