

April 18th, 2017

General Membership Meeting

7:08pm Call to Order

Treasurer Report: Everything looks great. Disney Trip ended up positive due mostly to the kids watching their budget at the Sunday Breakfast stop. Registration Fees will go up to \$300 next season.

Directors Report:

- Disney Trip was awesome and was extremely easy
- Solo/Ensemble is next week, paperwork just showed up. Please see Mr. Van Gelder immediately
- Manassas Concert next weekend, please bring family and friends and chairs to sit on. It will be Americano Music and will last about 45 minutes with a small intermission.
- New Marching Band Season 2017-2018
 1. Currently 62 registered freshman for concert band. Hoping to get a majority into marching band as well.
 2. I will be headed to the middle schools this next week or two to recruit
 3. Drumline as begun as well as color guard
- UVA Day this fall will be different. They are inviting a few bands as a whole instead of limiting us to only 15-20. We will be responsible for transportation and feeding the kids. Parents can get discounted tickets to the football game.
- Working on next season's "mini trip"
- Leadership forms have been coming in and section leaders and drum majors will soon be selected.
- Fees for the new season will be collected earlier on May 19th, in order to get a jump on the other schools wanting their show design at the same time.
- Volunteering is much appreciated and we need parents to step up. We have board positions as well as committee chair positions available. Please find a spot to fit into.

Any questions? When will calendar be available? Next week. What about JMU Day? As always it coincides with Homecoming, he will decide what to do later.

Disney Trip was Fantastic and we had great support!

Booster Meeting Report: Mr Van Gelder asked for \$11,000 for some new band equipment. Concessions on 4/21: we have most spots filled, Thank you. Scholarship for Seniors is available, due 4/26. \$1000 to one female and one male. Mulch sales was successful!

7:45 Meeting was Ended
